CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

The Board of Directors
TradePortal Securities, Inc.

We have audited the accompanying statement of financial condition of TradePortal Securities, Inc. (A wholly-owned subsidiary of TradePortal.com, Inc.) as of December 31, 2008, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the TradePortal Securities, Inc. (A wholly-owned subsidiary of TradePortal.com, Inc.) at December 31, 2008 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. **ORGANIZATION**

TradePortal Securities, Inc. (the Company), a wholly owned subsidiary of TradePortal.com, Inc. (the Parent), is a registered broker/dealer, and all securities transactions for the accounts of its customers are cleared by another broker/dealer on a fully disclosed basis.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Securities Transactions

Customer commission income and related commission and clearing expenses are recorded on a trade date basis.

Fair Value of Financial Instruments

Substantially all of the Company's financial instruments are carried at fair value. Receivables and payables are carried at cost or cost plus accrued interest, which approximate fair value

Impairment of Long-Lived Assets

The Company reviews the carrying values of its long-lived and intangible assets for possible impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. No impairment losses were recorded in 2008

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Depreciation is computed using the straight-line method over the estimated useful lives; property and equipment were amortized over 3 and 7 years, respectively.

Income Taxes

The Company is included in the consolidated income tax return filed by the Parent. Federal and state income taxes are calculated as if the Company filed on a separate return basis, and the amount of the current tax expense or benefit calculated are either remitted to, or received from, the Parent. The amount of current and deferred taxes payable or refundable is recognized as of the date of the statement of financial condition utilizing currently enacted tax laws and rates. Deferred taxes are recognized in the financial statements for the changes in deferred tax liabilities or assets between reporting periods. All of these related balances are treated as advances to or from the Parent.

Goodwill

Goodwill represents the excess purchase price paid by the Parent for 100% of the Company over the fair value of the tangible and intangible assets and liabilities of the Company at May 12, 2000, the date of the Acquisition. In accordance with SFAS 142, the goodwill is not being amortized, but instead will be subject to an annual assessment of impairment by applying a fair-value based test.

The Company evaluates the carrying value of goodwill each fiscal year. As part of the evaluation, the Company compares the carrying value of goodwill with its fair value to determine whether there has been impairment. As of December 31, 2008, the Company does not believe any impairment of goodwill has occurred.

3. PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2008 consisted of the following:

Property and equipment	\$ 1,177
Less: accumulated depreciation	<u>(1,177)</u>
Property and equipment, net	<u>\$ -</u>

TradePortal Securities, Inc.
(A Wholly-Owned Subsidiary of TradePortal.com, Inc.)
Notes to Financial Statements
December 31, 2008

4. INCOME TAXES

The provision for income taxes consists of the following as of December 31, 2008:

Current:	
Federal	\$ 44,000
State	800
	<u>44,800</u>
Deferred:	
Federal	6,000
State	59,000
	<u>65,000</u>
Total provision	<u>\$ 109,800</u>

The Company had no deferred income tax asset or liability of December 31, 2008. The income tax liabilities of the Company are assumed through the utilization of net operating losses of the Parent.

5. COMMITMENTS AND CONTINGENT LIABILITIES

Settlement of Securities Transactions

The Company is obligated to settle transactions with brokers and other financial institutions even if its customers fail to meet their obligations to the Company. Customers are required to complete their transactions on the settlement date, generally three business days after trade date. If customers do not fulfill their contractual obligations, the Company may incur losses. The Company has established procedures to reduce this risk by requiring deposits from customers for certain types of trades.

Leases

The Company leases office space, which expires October 14, 2010. Lease expenses totaled \$22,952 for year ended December 31, 2008. The operating lease calls for monthly payments of rent and common area maintenance. The Company allocates a portion of its rent expense to its Parent for use of the facility.

5. **COMMITMENTS AND CONTINGENT LIABILITIES** (Continued)

Leases (Continued)

Future minimum payments by year due under the operating lease agreement are as follows:

<u>For the year ended December 31, 2008</u>	<u>Amount</u>
2009	23,546
2010	24,330
2011	-
2012	-
After 2012	-
	<u>\$ 47,876</u>

6. **CONCENTRATION OF CREDIT RISK**

The Company is engaged in various trading and brokerage activities. Counterparties to these activities primarily include broker/dealers, banks and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

7. **RELATED PARTY TRANSACTIONS**

Due from Parent

The Company pays for certain expenses of the Parent, for which it is generally reimbursed. However, in 2008, \$111,222 of such expenses were paid by the Company, for which it was not reimbursed. Such reimbursements of expenses were treated as advances to Parent at December 31, 2008.

8. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2008, the Company had net capital of \$34,486, which was \$29,486 in excess of its required minimum net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 1.024 to 1.

9. RESERVE REQUIREMENTS FOR BROKERS OR DEALERS

The Company is exempt from the provisions of Rule 15c3-3 (pursuant to paragraph (k)(2)(ii) of such rule) of the Securities Exchange Act of 1934 as an introducing broker or dealer that carries no customer accounts, promptly transmits all customer funds and delivers all customer securities received to the clearing broker, and does not otherwise hold funds or securities of customers or dealers. Because of such exemption, the Company is not required to prepare a determination of reserve requirement for brokers or dealers.

TARVARAN, ASKELSON & COMPANY

LIMITED PUBLIC ACCOUNTANT

Independent Auditors' Report on Internal Control Required by SEC Rule 17a-5

Board of Directors
TradePortal Securities, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of TradePortal Securities, Inc. (A wholly-owned subsidiary of TradePortal.com, Inc.) (the Company) for the year ended December 31, 2008, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debts) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the periodic computations of aggregate indebtedness (or aggregate debts) and net capital under Rule 17a-3(a)(11) and the reserve required by Rule 15c3-3(e).
2. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

23974 Aliso Creek Road, Suite 395 Laguna Niguel, CA 92677

Office: (949) 360-0545 WWW.PUBLICCOMPANYCPAS.COM Fax: (949) 606-0329

TARVARAN, ASKELSON & COMPANY[®]

CERTIFIED PUBLIC ACCOUNTANTS

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2008, to meet the SEC's objectives.

This report is intended solely for the use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
